This small but ancient temple is in a very dilapidated condition and correspondence has been going on for the past 3 or 4 years regarding its renovation. The estimate is for Rs 1000/- out of which the devotees have contributed and placed in the Savings Bank a sum of Rs. 250/-. A further sum of Rs. 250/- is promised by Mr. Guru Rao, Pleader, as soon as the work is sanctioned. I think the balance of Rs 500/- may be

The Deputy Commissioner, Mysore District.

Sir,

I am directed to invite your attention to the correspondence ending with Government Proceedings No. J & K / 2082-83 dated the 17th April 1902 sanctioning an estimate for Rs. 500/- for repairing the Sri Anjaneyaswami temple near the Sri Srikanteswaraswami temple at Nanjangud. During my recent visit to Nanjangud I was informed that the execution of the repairs had been deferred in view of the decision of the question whether the existing temple should not be abandoned in consequence of the encroachment underneath it of the roots of a large Aswatha (peepal) tree situated in the locality, and the temple re-built on some other suitable spot. The omission on the part of the local Officers to bring the above circumstance officially to the notice of the Government has led to the matter being overlooked for such a length of time. I am therefore desired to request that the local Officers namely, the Senior Assistant Commissioner and the Amildar of Nanjangud may be asked to consider the question carefully in all its aspects without further loss of time, consulting at the same time the leading residents of Nanjangud belonging to the Madhwa community. The opinion of the Swamigalu of the Sri Raghavendraswami Matt at Nanjangud should also be obtained as to the removal of the temple to another locality. With complete informations on the points the

above indicated, I am ~~and~~ to request you will be so good as to address Government in the matter at a very early date, favouring them with your own opini[illegible] as [illegible] is desired.

2. If it is considered desirable to erect a new temple else-where it should be reported what spot is best suited for the purpose and an estimate of the probable cost of construction should also be submitted. If it is considered safe and sufficient to repair the temple in its present situation, I am to request that an estimate for the repairs necessary to bring the temple to a sound condition may be kindly submitted.

3. I am desired to request that [illegible] may be taken in this matter.

The Sri Anjaneyaswami temple situated near the Sri Sricanteswaraswami temple at Nanjangud, having been reported to be in a very dilapidated condition, Govt in their Pro: of the 17th April 1903, sanctioned an estimate amounting to Rs 500/- for the repairs thereof, and directed that one half of the estimated cost should be met from the State

Grant of 1902-03, and the other
half from the contribution amount
of Rs 250/- could reported to have
been collected by Pleader Mr Gurur Rao
of Nanjangud and deposited in
the Treasury. The work of repairs
however was not taken in hand
pending the decision of the
question as to whether the said temple
should be altogether abandoned
in consequence of the encroachment
underneath it of the roots
of a large Aswatha tree situated
in the locality and a new
temple built on some suitable
spot. Regarding this, the Deputy
Commissioner was requested to
consult, the wishes of the Swamigalu of the
Sri Raghavendraswami Matt
and other leading residents of
Nanjangud and report them
for the orders of Govt.

2. The Deputy Commissioner

thereupon reported that the principal madhwa residents of Nanjangud were not in favour of repairing the existing temple and that no suitable site was either available for building a new temple and recommended that the ~~xxxx~~ idol of the Sri Anjaneya might be removed to a stone mantap belonging to the Sri Srikanteswaraswami temple and situated adjacent to Purnaiya's Chattram. As however the ownership of that mantap was reported to be contended by the grand-daughter of the late Dewan Venkata Rao, the Govt suggested as an alternative measure that the Sri Anjaneya idol might be removed to the room in the north-eastern portion of

Vas Chattram, altering
the room so as to serve the purposes
of a small temple. This proposal
is objected to by the madhwa
residents of the place owing to
the proximity of the Grama Devata
temple, where animal sacrifices
are sometimes made.

3. Upon an inspection of
the locality in January last,
the Secretary to Govt in the
Muzrai Deptt is of opinion
that the Honble Subbammah's
mantap situated just outside
the Sri Sricanteswaraswami
temple which is now lying
, is very well suited for
purpose in view. There can
be no objection on the
of the devotees of the
Sricanteswaraswami temple,
proposed conversion as

Sri Anjaneya has been already consecrated and is being worshipped within the precincts of the first named temple the Govt are pleased to approve of the buildings now selected and are pleased to direct the consecration therein of the Sri Anjaneya idol in question.

The Deputy Commissioner is requested to submit at a very early date an estimate for any slight alterations that may be required to be made to the buildings and consecration of the Sri Anjaneya idol therein.

4. The estimate for Rs 500/- sanctioned in the Govt Pro: read above, is hereby cancelled.
